Dear Parents,

The Fifth Baptist Church ChildCare Center has grown from just a few several years ago to a strong total enrollment of over 100 children. Our childcare center operates daily for those two and a half to five years old. The before and after school program provides transportation to and from local schools for students pre-kindergarten to eighth grade.

The staff of our childcare center is adequately prepared to help develop your child culturally, educationally, physically, socially, and spiritually. The Fifth Baptist facility has on its grounds a fenced-in playground, and a gymnasium. Thank you for considering our program, and we do hope your child(ren) will become part of our family.

Peace,  
Ricardo L. Brown  
Pastor

## CURRICULUM

Our curriculum is High Reach Learning which is an award winning series of instruction for young children. Over the years they have won several early childhood news director's choice awards. Our child care center uses three different components of the series which are Tender Time, Caterpillars and Butterflies. The components focus on color, shape and number recognition, large and small motor skills, language development, letter recognition, beginning sounds, one-to-one correspondence, sequencing, problem-solving and estimation.
